

# Can Farmers' Innovations Sustain the System of Rice Intensification (SRI)? Experiences from Andhra Pradesh, India

Speaker: R. Vasantha

Tuesday, May 21, 2013  
2:00 – 3:00 p.m.  
100 Mann Library

Dr. Vasantha is an associate professor in the Department of Agricultural Extension at Acharya N G Ranga Agricultural University (ANGRAU) in Hyderabad, India. She was one of the first faculty members at ANGRAU, the state agricultural university of Andhra Pradesh, to begin working with SRI in that state. Vasantha is in the US for a month as a visiting fellow at the University of Massachusetts at Lowell. She will be visiting SRI-Rice for a few days to share her experience from SRI extension work in India.

Anyone interested in meeting with Dr. Vasantha individually can contact [lhf2@cornell.edu](mailto:lhf2@cornell.edu) to request an appointment for Monday (May 20) or Tuesday (May 21).

**Sponsored by the SRI International Network and Resources Center (SRI-Rice),  
Cornell International Institute for Food, Agriculture and Development (CIIFAD)**

Refreshments will be provided
